

Quick Guide on using iDuas – Ramadhan

To Download MP3s

iDuas – Ramadhan is integrated with Mp3s. This allows you to listen to the Du'a/Amaal while following or reading along. To setup, click on **Settings icon** (see below)

You will then see a screen like the below. Simply check off what you want to download. And then click on **Download**

We recommend you connect to WiFi as the downloads will take time over Edge or 3G.

iDuas – Ramadhan	Downloads	Download
